CURRICULUM VITAE

OFFICE LOCATION:

873 East Baltimore Pike
Suite 214
Kennett Square, PA 19348

RESPONSIBILITIES:

Represent IKOR in all National Public Relations, including interviews and articles

Provide expert assessment and testimony in areas of standards of care to the disabled of any age, Geriatric Care & Guardianship. Within the realm of disability, my work and expertise has included physical disability, intellectual disability, drug and alcohol care, and mental health care.

Where requested, provide insights and assist in case design to maximize the care and financial benefits

WORK EXPERIENCE:

Founder and sole creator of IKOR International Inc. specializing in life and medical advocacy focused on the disabled and seniors (from infancy to centenarian)

One of central professionals involved in the creation of the field of Case Management, and the standards of care that surround it.

Have provided expert testimony for approximately 20 years in mediations, arbitrations, depositions, hearings and trials (both Jury and Non-Jury)

Created a software package (Datikor) for caring for the disabilities and elderly where ever they are in the world. This software has been debated in the courts and found by IT experts to be one of a kind in Telemedicine.

Creator of a patent pending item to assist for the safety of small children and the disabled of all ages.
